

Thanks again to the support of the community! Working with the community allows us to have the pool open each year.

Volunteers have come together this spring to upgrade fencing and clean our pool house. Thank you to all that took the time to help make the pool a safe and fun place to be for all.

A pool requires quite a bit of maintenance as you may notice when you visit the pool. Most of the tile around the top of the pool is going to need to be removed. This should take place this fall.

If you think our pool is of benefit to the community, important as a safe place to learn to swim, cool off during our hot summers, participate in a swim team, aquacise or swim laps for exercise, please let us know by making a tax-deductible donation to LAPP, being as generous as possible and remain part of the grass-roots effort to keep our new, modern pool facility operating with activities for all ages in our beautiful mountain community. Let us know what is important to you.

**PLEASE HELP KEEP THE
LOWDEN PARK POOL OPEN BY
MAKING A TAX DEDUCTIBLE
DONATION TO LAPP**
